Dear Parents and Prospective SAHS Ja'Quettes Dance Team Members,

Thank you for your interest in the St. Augustine High School Ja'Quettes Dance Team! During the week of April 18th, we will be conducting a clinic and tryouts for the 2011-2012 season. Next year's team goals are to support school spirit and enhance our school and community while maintaining a positive attitude and fun atmosphere. If dance is your passion and you want to be part of a great team with big plans ... we want to see you there!

Being chosen as a member of this team will be both an honor and a commitment to excellence. Team members will focus on excellence in: academics, team building, leadership, character, community involvement and DANCE! If chosen, you will represent the entire school as well as yourself and your team. You are expected to show trustworthiness, respect, responsibility, fairness, citizenship and caring to all of those around you.

Academics will be a priority for all Ja'Quettes Dance Team members. Many of our members are members of the National Honor Society, excel in honors courses and are leaders in our school. A successful dancer is able to balance a busy schedule as well as personal priorities. The SAHS Ja'Quettes Dance Team members must maintain at least a 2.0 GPA. Grades will be checked each quarter.

***NOTE: In consideration of all the participants, this will be a closed audition.***

Attire

For the clinic and audition, participants must wear a leotard or fitted tank top with fitted pants. No loose or baggy clothing is permitted. Former members may NOT wear Ja'Quettes dance team apparel. Your stomach must not show while dancing. You may wear jazz/hip hop shoes or dance barefoot. For your safety, please do not wear jewelry. Hair must be pulled back in a high ponytail (no long bangs hanging over eyes and face).

Skills

Some of the skills candidates will be asked to demonstrate include: left, right and straddle splits, leaps, double pirouettes, high kicks and gymnastics (round-offs, walkovers and back handsprings). A short dance routine will be taught at the clinic along with improvisation. This will demonstrate the ability to learn quickly and be creative. Candidates will audition skills and the dance routine in groups of four to five.

Good Luck!
