

Welcome back, Jacket Family:

The new school year is off to a great start as the St. Augustine High campus comes back to life. We are especially excited to be celebrating our 50th anniversary as we reflect upon a legacy of excellence and achievement and look forward to producing future generations of Jackets who will leave their mark on our proud community and the society at large. To be a Jacket carries a responsibility to strive to reach our potential and to serve the greater good, as many alumni have so steadfastly demonstrated. As we take another step on the path of extending our legacy, please refer to the St. Augustine/Ketterlinus High School Alumni Association website (www.mysahs.com) to see how we will be celebrating the lives of outstanding Jackets this fall. And, as you visit the site, consider how you might one day join this elite group of SAHS citizens.

Again, welcome back. As always, it is a wonderful time to be a Jacket.

Cathy Mittelstadt,
Principal
