

# Student Academy Requests in HAC

Academy and Academic Program applications for the 2016-2017 school year will be submitted through **Home Access Center (HAC)**.

There are two steps to the academy application process. First, you must confirm that you or your **Guardian/Parent** have an email address on file. **You will only be notified of your application status by email.**

## ***To Verify Your Email Contact Information***

- Log into Home Access Center (HAC) with your student **USER ID** and **PASSWORD**.
  - If you do not have your username and password, please see your teacher, or the front office.
- Select the **Registration** Icon
- In the **Contacts** section, check that your **Student** Email address is correct.
  - If the **Student Email** Address is **incorrect**
    - Select the **Edit** button
    - Type in the correct email address and select the **Save** button.
- Just below your student contact information is the **Guardian/Parent** mailing addresses and email addresses.
  - If this information is incorrect, you cannot change it here. Please let the front office know that it needs to be changed.

## ***To Register for an Academy, Academic Program or Program of Choice***

- In Home Access Center, select the **Classes** Icon
- Select the **Requests** Tab
  - If you wish to apply for an academy, click the **Edit** button to the right of **Academy/Program of Choice Application**
- When you select the **Edit** button, you will be presented with a list of options.
- Each option is shown with a 1, 2, or 3 in the description.
  - Check an option with a '1' to indicate your first choice – the academy or program that you **most** want to attend.
  - Check an option with a '2', if you have a second choice.
  - Check an option with a '3', if you have a third choice.
  - You may request to be considered for academies located in different schools. However, you will only be selected for placement in a single school, in order of your choices. As a reminder, *transportation* is only provided to your **zoned** school.
- Click the **Save** button to save your preferences. Your selections will be shown on the Requests tab.
