### **Old Business**

#### **1. Auction**

- Eileen picked up donation from ACE Hardware - \$40 gift certificate.
- Jo Anne picked up donation from Beaches Museum - a Family Membership along with an 8x10 black and white photo from their archives, which totals a value of \$140.
- Jo Anne picked up donation from Anastasia Lanes - 3 gift certificates, each for free 2 hour lane rental.
- Dena will email Ms. Singer to find out what time the Band performance is, if there's an intermission, if they have a program, if we can hand out flyers, etc.
- Dena suggested putting an ad about the auction in the newspaper. Jennie said she will contact Woman's Journal to inquire about advertising the auction in it.

#### **2. Fundraising**

- Eileen has a call into the Players Championship to verify that we have our own code this year so we can start advertising the sale of the tickets. She will let Jo Anne know before Monday so the flyers can be updated and printed for Dena to mail next week with the acceptance letters to next year's freshman AICE class.

#### **3. AICE Shirts**

- Dena was looking for ideas on how to keep track of AICE students' volunteer hours for earning the new AICE shirt. Denise will create a spreadsheet and maintain it until all the students are entered. At that point, it will be ready for others to maintain as students provide their hours.
