Old Business

1. Auction

- Woman's Journal put our ad in their April/May edition.
- Eileen called The Record. An ad would be \$125 for ¼ page. They will work with us on graphics. It would cost an additional \$125 to also be in the Compass. It was decided to do both. Eileen said she'd work with the Record to get the ads placed.
- Sibylle suggested contacting the local radio station for advertisement. Eileen said she'd call them.
- Sibylle will set up the auction on biddingowl.com and Jo Anne will help her organize it.
- The Call-A-Thon to follow up with the businesses we sent donation request letters to but hadn't heard from will be on 4/19 after school. Pizza will be provided.
- WE NEED MORE DONATIONS!!! Asking everyone to talk to businesses they frequent during their daily activities about donating something.

New Business

1. No new business.
