Old Business

This meeting's main purpose was to focus on the Silent Auction fundraiser to be held 5/1 through 5/3 in conjunction with the spring musical.

1. Jessica handed out copies of the updated donation list. The group went through it and told her of any additional donations they had received and any changes to contact info they had.
2. The French club contacted us and said they'd create a basket for the auction.
3. It was suggested that we set a date next week when the kids could stay after school and make follow up phone calls to the business sent donation request letters but haven't responded yet. The kids would get community service hours for participating and we would provide pizza and drinks. We decided to set this for 4/16.
4. Dena will send out an email asking all families for a donation of one item for the auction and help with follow up calls.
5. SJCCA agreed to put an ad for the auction in their program and also do a recorded message for playback during intermission. They requested we don't hand out info at the shows and asked us to move the displays away from the main hall and bathrooms.
6. Jessica will follow up with Theresa about the other Cobblestone businesses.
7. Dena will find out about food donation from the cafeteria.
8. Dena will create a signup sheet for the kids to volunteer during the auction.
9. Monica was asked to check with the track team about doing a basket for the auction.
