

Parents and Students,

The registration schedule is listed below for your convenience. We are pulling students by English teacher. If your child does not have an English class at SAHS, please have them contact their guidance counselor to set up an appointment to finalize their requests for the 2018-2019 School Year.

Please go online and select your course requests on HAC. Students must use their login information. Parent logins will not work for selecting courses for the 2018-2019 School Year. If you are missing course/recommendation or do not see a course that interests you, please be ready to discuss this with your counselor on your designated day.
