## Dual Enrollment Fact Sheet

### 2015 - 2016

**Eligibility:**

High school juniors and seniors are eligible for dual enrollment if they have a minimum **unweighted** 3.0 GPA and the following minimum test scores:

**Testing:**

If you do not have an existing ACT/SAT/PERT test score you may take the College Placement (CPT) exam, which is administered by SJR State College. The test is untimed and is an opportunity for you to be eligible to take a dual enrollment class. Calculators are not permitted on the math section. You are allowed to re-take the CPT once if you do not qualify the first time. SAT, ACT, and PERT can also be used to qualify (see above). Students without an existing test score will mark the "Setup CPT/PERT" box on the Dual Enrollment Admissions Form.

**Registration:**

To register for Dual Enrollment, students must complete a "Dual Enrollment Packet" which includes four important documents:

- Admissions form
- Principles of Participation form
- Registration/Approval form
- Modified Schedule form

Make sure forms are thoroughly filled out, including a correct and legible email address that you **regularly monitor**, parent & student signatures, and course section numbers and titles. The back of the “Dual Enrollment Admissions Form” requires an emergency contact with a **different** address of the student. If you are using existing ACT or SAT test scores, please also submit **official** written score reports with your application. These can be found via your online College Board or ACT account. It is required that students include the “Detailed Score Report,” not the snapshot of the scores.

### ***Tracking your Account***

Once you are confirmed as a dual enrollment student **it is your responsibility** to log into “MySJRState” on a regular basis to monitor your class status, grades, classes, deadlines, and policy guidelines. You can setup your account by going to <http://sjrstate.edu> and clicking on “MySJRstate.” The first time you log on, click on the user acceptance policy agreement to get your SJR State ID. Online courses can be accessed under the “MyCourses” tab in “MySJRstate.” If you have any questions about “MySJRstate” please call 1-888-757-2293 or access the web help link.

### ***Course Schedule:***

The official list of courses for the Fall 2015 semester will be online 5/15/15. When picking courses it is very important that students understand the credit each course is worth. Most courses are worth one high school credit, except for many elective and social studies courses which are 0.5 credit. Please see your school counselor with academic advisement questions. Once the registration packets have been entirely completed (except for the CRN and date/times of their courses) students will submit them to Mrs. Maltby. Packets are due by 5/29/15 and will be conditionally approved by SAHS counselors and forwarded to SJR State. Students will need to attend a registration meeting in June 2015. Starting 6/15, students can check their **MySJRState** account at [www.sjrstate.edu](http://www.sjrstate.edu) to confirm enrollment in the courses they selected.

### ***Parking***

Every student who attends a class on the SJR State campus must have a parking decal. Decals are free. You may obtain your decal by requesting it online via the Dual Enrollment webpage or in person by visiting the SJR State Administration Office.

### ***Textbooks***

Textbooks and course materials are free for dual enrollment students. However, some courses have lab fees and/or access code fees. Books for all college campus and online courses should be picked up at the Fullerwood Center, 10 Hildreth Drive, St. Augustine, Florida 32084. (St. Johns County School District Media Room). **\*\*You must have a schedule in order to pick up books.**

**PLEASE NOTE: *Only courses being held at St. Augustine High will have textbooks available for pickup at SAHS. All textbooks for courses taken at the SJR State campus or online must be picked up at the media center (rear entrance) of the Fullerwood Center, unless specifically directed otherwise by the instructor or school personnel.***
