### **Old Business**

#### **1. Auction**

- Sibylle completed 25 online applications for solicitations
- Rosemarie spoke to her friend from the Rotary who can do catering for us at a discount if needed and who also offered to donate a \$100 gift card for the auction.
- Florida colleges have online applications for donations that we can apply for.
- Candace suggested applying for donations from all the major football teams, not just the Jags.
- Chipotle has an online application for requesting donations.
- Jo Anne will email the donation letter for all to print and use in their solicitations.
- Sibylle will try to get in touch with Mr. Dodd or his Booster Club board to schedule a meeting.
- We cannot have alcohol in the baskets.
- Sibylle found a website that donates beer to events. This could be helpful if we need to hold the event on our own, off school grounds.
- During the November Booster Club meeting, we decided that we would ask AICE students to go into town soliciting for donations on 2/15 & 2/16 since school is closed those 2 days. We need to let the kids know about this and get a sign-up sheet going.
- It was suggested that we contact Beaver Toyota for a donation. They are very community oriented and love to help out.

#### **2. Dena asked that we work on the scholarship form & criteria needed for the scholarship. Jo Anne reminded the group that a student designed a form and criteria last year and rather than starting from scratch to get them from Dena and review/modify what the student created.**

#### **3. Teacher Wish List**

- Rosemarie suggested concentrating on 1 item for all teachers instead of a shopping list of different things.
- The Booster Club will send out an email to all AICE teachers introducing ourselves and asking for their wish list suggestions.
- Ms. Mars said in the past that she could always use paper so the first gift from the Booster Club to the teachers will be a ream of paper. A letter will be written introducing ourselves and attached to the reams of paper. We will have the kids attach the letters and deliver the reams during an AAB meeting.

### **New Business**

1. A suggestion was made to charge a nominal fee in order to be a member of the Booster Club.
2. Leslie & Rosemarie volunteered to get the podium drape to see if the AICE emblem can be put on a table cloth to be used at AICE events.

**Next Meeting:** 2/18 @ 6:30 PM in the SAHS Media Center.
