Testing Accommodations for the SAT & ACT

If a student has a specialized education plan (IEP, 504, ESOL), he/she will NOT automatically receive accommodations for the SAT and/or ACT. A student's school counselor must submit a formal request for their plan to be assessed by the testing agency. The deadlines for submitting requests for accommodations are set by SAT & ACT and are strictly enforced. Consent forms can be found on the School Counseling webpage. The form(s) must be signed and turned into the student's school counselor well in advance of the deadline to request accommodations.
