The ASVAB test is NOT about military aptitude and recruitment. The main purpose of the ASVAB is to help students understand their strengths and weaknesses in many fields of study such as math, science, reading/writing, problem solving, and technology in order to figure out potential careers/job opportunities to focus on.

An advertisement for the ASVAB Career Exploration Program. It features a blue background with a white starburst logo and the text "ASVAB CAREER EXPLORATION PROGRAM". To the right, it says "ALL PATHS LEAD TO SUCCESS!" followed by "More informed. More options. No cost." Below this, it asks "Do you know all the ways to get to your dream job? Get #OptionReady" and "See your counselor to sign up! Learn more at asvabprogram.com". On the right side, there is a wooden signpost with three directional signs: "COLLEGE" (pointing up-right), "WORK" (pointing left), and "MILITARY" (pointing down-right).
