

Dear Jacket Family,

If you have received this email, your St. Augustine High School student has chosen to begin the school year with the following learning option:

## **OPTION 1: SCHOOL-BASED BRICK AND MORTAR**

Please note the following details of this learning option:

- **DESCRIPTION:** Students will attend St Augustine High School following implemented safety guidelines.
- **RECOMMENDATIONS:**
  - o **Please consider taking your student(s) temperature(s) daily prior to coming to school. Students with a temperature of 100.4 or higher should stay home.**
  - o **Please also consider washing your student's clothes when they return home from the school day.**
- **NON-NEGOTIABLES:**
  - o Protective masks will be worn **AT ALL TIMES** while on campus.
  - o Families must provide their own masks.
  - o Students will practice good hygiene and wash hands frequently. Hand sanitizer will be available at multiple locations on campus, including classrooms.
  - o Student IDs must be displayed by students via a lanyard **AT ALL TIMES**.
  - o Students **MUST** have their temperature taken when arriving on campus. Temperatures will be taken by their first period teacher.
- **ENROLLMENT:** Students **WILL** have the ability to transfer to School-Based Distance Learning. However, students must meet the minimum enrollment requirements as described for the placement.
- **ADDITIONAL SAFETY PRE-CAUTIONS:**
  - o All frequently touched surfaces will be treated with anti-microbial coating.
  - o For a more comprehensive view of health and safety protocol, please [CLICK HERE>>](#) to view the St John's County School District's "A Safe and Healthy Return" document.

**We are in this together!** If you have any questions or concerns, please feel free to reach out to us.

**Go Jackets!**
