

Dear Jacket Family,

If you have received this email, your St. Augustine High School student(s) have chosen to begin the school year with the following learning option:

OPTION 2: SCHOOL-BASED DISTANCE LEARNING

Please note the following details of this learning option:

- **DESCRIPTION:** Students participate in daily lessons from teachers to include (but not limited to) live, recorded, and/or conferencing. Attendance will be taken in all classes daily. Schoology, in addition to other resource tools, will be the primary learning platform.
- **NON-NEGOTIABLES:**
 - Students will be asked to login to their Schoology accounts **EVERYDAY** during class sessions. (i.e. 1st period begins at 9:20am, students should be logged into their 1st period on Schoology).
 - Expectations for work and participation will be **EQUAL** to students who chose the Brick and Mortar learning option.
- **ENROLLMENT:** Minimum first 9 weeks of school. An application period will occur prior to the start of 2nd quarter.

We are in this together! If you have any questions or concerns, please feel free to reach out to us.

Go Jackets!
