

Dear Parent(s)/Guardian(s),

As we move toward the end of the year and prepare for 2021-2022, we would like to take an opportunity to address student parking. **Next year, we will have 340 parking spots available to students.** This includes an addition of **60 spots** from this school year. We have utilized every possible location on campus to maximize student parking opportunities. We intend to provide a fair and unbiased system for students to receive their parking spots, therefore we have implemented the **NEW PROCESS detailed below.**

Please read all the following information carefully. Follow all procedures and pay attention to deadlines. Please note that the purpose for the process below is to secure a parking spot for the 2021-2022 school year. **Further information regarding Senior/Junior lots (including spot painting) will come out once applicants have been selected.**

ELIGIBILITY: Must be a Senior or Junior. No sophomores, **NO EXCEPTIONS.** Must have a valid Florida operator's driver license issued before September 1, 2021. **Additionally, you must have over a 2.0 unweighted GPA, NO Level 3/4 suspensions, and less than 15 Unexcused absences for the current school year.**

COST: \$85.00 (General parking)/\$150.00 (Senior reserved)

PRIORITY PARKING RECIPIENTS: The top 50 Class of 2022 students (determined by weighted GPA from the end of this past fall semester) will have the opportunity to purchase a parking spot first. These students will be notified individually and will need to submit paperwork no later than Friday, May 14.

LOTTERY PARKING RECIPIENTS: The remaining parking spots will be decided via lottery. Students will have to register for the lottery online anytime between Monday, May 10 and Friday, May 14 by 4:30pm. Look for SAHS Parking Lottery link on the front of the SAHS website or [CLICK HERE>>](#) to enter online. ***Please note that ANY false or misleading information entered in said form will lead to IMMEDIATE REMOVAL from the Parking Lottery.**

A computer will randomly draw names and you will be notified via email and text if you have been selected. **The list will also be posted in the cafeteria on Thursday, May 20.** The number of spots available will be affected by the total number of spots purchased by top 50 Class of 2022 students.

LOTTERY SCORING: Students who enter the lottery will be randomly assigned a number between 1.00 and 0.00 via a computer program.

- **BONUS ADDENDS:** Students will get an **additional 0.1 point bonus** to their random score for **EACH** of the following factors (if they apply):
 - **Senior Class Member**
 - **4.0 or Higher Weighted GPA**
 - **Member of a SAHS Academy Program** (Aerospace Academy, SJCCA, Academy of Future Teachers, & Academy of Law and Homeland Security)
 - **School-based Activity Participation** (Arts, Clubs, Sports, I.E.)
 - **Off Campus Dual Enrollment at St Johns River State College**
 - **Modified Schedule** (including off-campus Executive Internship)

STUDENTS SELECTED: Students who were fortunate enough to be selected should turn in this completed form and their \$85 check (even if they would like a Senior preferred parking spot), made out to SAHS, during their lunch in the cafeteria between Monday, May 24 and Thursday, May 27. (If you don't do this you **WILL NOT** get a parking pass) A friend may turn it in for you.

*Please note that selected Seniors will receive more information about how to sign up for a reserved spot following this initial process.

DISTRIBUTION: Your hanging parking tag will be handed out in August. Lists of names and parking spots will be posted all around campus so you can locate your newly assigned spot.

We appreciate your patience, understanding, and all that you do for our Jacket Family. If you have any questions, please email either Dean Corie James at corie.james@stjohns.k12.fl.us and/or Assistant Principal Trevor Abbs at trevor.abbs@stjohns.k12.fl.us.
