## 2022-2023 Parking Rules & Regulations

The following guidelines exist to help ensure the safest and most efficient use of our limited parking facilities. **This is not an all-inclusive list; the administration reserves the right to revoke a student's parking decal for disciplinary reasons.** Parking privileges are reviewed at the end of each grading period.

---

***Driving to school is a privilege, not a right.***  
***(Buses are available for all students.)***

---

- **If in an emergency you must drive a different vehicle**, please display your parking decal in the new vehicle and notify Dean Bowmaster.
- **The parking hanging tag for all parking spaces will have a number on it that coincides with your parking space number.** Always display it from your rearview mirror with the number facing out. You can **ONLY** park in your designated space.
- **If someone is parked in your space, do not park in someone else's space.**
- **\*NEW:** Any vehicle that does not have a current SAHS parking decal or is parked in the wrong space will be subject to being immobilized (a parking boot will be placed on the tire), If your vehicle is immobilized, the cost to have the boot removed is \$25 and will result in loss of driving privileges for the remainder of the school year. A warning sticker will be applied to your driver's side window prior to being immobilized. **SAHS is not responsible for any inconvenience resulting from paying the fine, removal of the warning sticker from the car window, and/or the removal of the boot.**
- **There are no temporary parking passes** (e.g., "I missed the bus," "I have a doctor's appointment", etc.) The term "emergency" will not be accepted as an excuse.
- **ALL VEHICLES ARE SUBJECT TO SEARCH.** Students are responsible for their vehicle and its contents.
- **The parking areas are off limits to all students during the day.** If you are in the parking lot for any reason (getting books, getting your lunch, bringing something out to your car, etc.), your car will be searched, and you will lose your parking decal for nine weeks.
- Any student observed passing illegally, driving on the grass, bypassing traffic cones, not yielding to the buses or any other type of careless driving will lose their parking privilege.
- **If you obtain a new vehicle or a new license plate, you must report the change immediately so that your record can be updated** (See Dean Bowmaster).
