

Dear Yellow Jacket Community,

Welcome Back and Happy New Year!

We are excited for our Yellow Jacket students to return to campus today! Today marks the beginning of the second semester and we are dedicated to the academic achievement and character development of all our amazing students. Throughout the second semester we will provide quality instruction to all students and continue to encourage positive and productive behaviors that exemplify the Pillars of Character and our "S.W.A.R.M. Expectations". Please see below for our activities update and information to start the school year strong:

- [Activities Flyer - 1/8/24](#)
- We will continue to have high behavior expectations for all students this semester. On Wednesday our students will learn about our "Single School Culture" common expectations during the first 5 periods of the school day. We will hold assemblies with all grade levels on Thursday to discuss events for the second semester and also to reinforce our behavior expectations. Items of note to discuss at home:
 - Our cellphone policy will remain the same for the second semester. All students are expected to place their phones in the assigned cell phone pouches upon entry into every classroom. Failure to follow this policy will result in discipline consequences. We noticed a large increase in student engagement across all classrooms as a result of this policy and look forward to continued increases in engagement moving forward.
 - We will continue being vigilant in tracking student attendance and tardies. Students are allowed 4 tardies per quarter before receiving discipline consequences. The vast majority of our students arrive to class on time every period. Students who do not have any tardies will be entered in a raffle to receive prizes (including a free pair of AirPods courtesy of our PTO) at the end of the quarter.
- We will have a robust before and after school tutoring program offered throughout the second semester. This will be targeted and available for a large amount of classes of all levels. More information will be coming in future weeks and we will be encouraging all students to take advantage of these opportunities if they are not achieving their goals in their classes.
- We are hosting a virtual information night for all rising 9th grade students on Wednesday, 1/10. This session will provide information to prospective new students about our incredible academies and programs of choice. Please spread the word to any current 8th grade families about this event. The link for the virtual session is: <https://tinyurl.com/SJCCAinfoonight>
- We have our monthly SAC meeting tonight at 4:45pm in the Media Center. All families are welcome to attend SAC to learn more about the operations of our school.
