

Yellow Jacket Community,

It is hard to believe but we have already reached the midway point of the third quarter. Interim grades will be available in HAC this week. I encourage all students and families to review their grades to celebrate successes and develop a plan for areas in need of improvement. Our "Jacket Prep" offerings provide great opportunities to improve grades in all subject areas.

This week is "School Counselors Week". We are so happy to have our amazing counselors and the incredible student support services team at SAHS!

This week also marks the first full school week celebrating Black History Month at SAHS. We are proud to be the most diverse traditional High School in SJCSO and will honor Black History in various ways throughout the month of February.

Please see below for information and updates:

- [Weekly Update - 2/5/24](#)
- Our "Jacket Prep" enrichment and remediation program is offered to all students needing assistance in key subject areas.
 - General after school assistance is available every M-Th from 4:00pm - 5:00pm in the areas of Math, ELA, Science, and Social Studies.
 - Targeted summative assessments review sessions are available on a schedule basis. This week there are summative assessment review sessions available for: Earth Space Science, Art, and AP Human Geography
- On February 15th, SJCSO and SJSO are offering a free information session on the dangers of social media. This session will be in the evening at Creekside High School. A flyer will be sent to families once it is made available.
- Our "Law and Homeland Security Academy" students recently competed in the state competition in Orlando and brought home 23 different awards and medals!
