

Yellow Jacket Community,

We had a great start to the 4th quarter last week. Please continue to encourage your student(s) to monitor their grades and take advantage of all learning opportunities to ensure their grades are where they want them to be at the end of the quarter/semester. As a reminder, we offer our Jacket Prep free academic tutoring and support for all students Monday-Thursday after school.

I want to give a huge shout-out to Ms. Schippani and our SJCCA dancers for their "Best of 10" shows this weekend. Students performed a curated show consisting of the best dances performed over the course of Ms. Schippani's 10-year career as the director of SJCCA dance. We are lucky to have Ms. Schippani and so many talented performers at SAHS!

This week please note that Tuesday, 3/26 is the state funded ACT College Reportable test for all Juniors. All 9th, 10th, and 12th graders will be allowed a "learn from home" day on Tuesday, 3/26 to provide the most optimal testing environment for our Juniors.

ACT® Practice exam - Experience it Now

with our friends at Revolution Prep

\$20

The ACT & SAT, which cover the entirety of your child's high school learning, can seem daunting and overwhelming. Revolution Prep is ready to support students and their families in preparing for their official college admissions exams by offering ACT practice tests.

We've carefully modeled our digital testing experience after the official test, so that students feel confident in navigating the intricacies of the new digital format—the closest experience to the real thing that you can get!

If your child is prepared, they'll feel less overwhelmed. The best way to prepare is to practice. Proctored practice tests are an opportunity for your child to work on pacing and endurance in a setting that best simulates the test day environment. Plus, you can see your child's score instantly in the Revolution Prep mobile app or student dashboard!

How it works

- 1 Register for your ACT practice test at <https://www.revolutionprep.com/act-practice-test>
- 2 Instantly receive our best-in-class score report, illustrating three high-impact areas to focus on for each section of the test (math, reading, and writing)
- 3 Turn your child's goals into an individualized plan by scheduling a time to go over your score report with a Revolution Prep team member at <https://www.revolutionprep.com/christina.brownell>

Upcoming practice tests
