

## **SJCSD Procedure for AP Exam requests by students who do not attend your school**

### **1. Students Zoned for Your School and Your School Offers the Course**

Allow the student to test at your location.

### **2. Students Zoned for Your School but Your School Does Not Offer the Course**

Your school is not obligated to administer the corresponding AP exam. Inform the student of the nearest SJCSD high school where the test will be offered and provide the name and contact information of the AP Coordinator. The student should then be instructed to reach out directly to the accommodating AP Coordinator to arrange to take the exam at that location.

### **3. Exam Not Offered Anywhere in SJCSD**

Respond with the following message:

*The AP \_\_\_\_\_ Exam is not offered in the SJCSD. Please refer to the [AP Course Ledger](#) to identify a school site where this exam will be administered. Contact the identified school and ask to speak with the AP Coordinator to determine if they can accommodate your request.*
