April 2nd – Prom Attendance Form

Thursday, April 2nd is Prom Night for most of our Juniors and Seniors. We understand that Prom may require extra time to be ready for the night. Students who are attending prom must attend school on Thursday, April 2nd. However, those with parent permission may leave school early to prepare for a great night!

To help streamline the check-out process, we are asking that parents/guardians complete this form. Students will submit the form at the front doors when checking out early on this day. Absences for the 2nd will be unexcused unless documentation is submitted for the absence. Please keep in mind that student will need to makeup any work missed.

Thank you,
Travis Brown
Principal
